IF IT HAS A CALL NUMBER...

Books are arranged using **Library of Congress** call numbers in alphabetic and numeric order. Read the call numbers on the shelf from left to right until you find your book on the shelf. Books on similar subjects will be nearby!

Line 1
Books are arranged in alphabetic order (B > BA > BF...)

Line 2
Within the BF range, books are ordered by numbers from low to high. (BF 1 > BF 10 > BF 173...)

Line 3
Within the BF 173 range, books are ordered by letters & decimal numbers. (BF 173 .F6 is before BF 173 .F6784)

Once you've found your book, check it out with your university ID at the **Book Pick Up & Check Out Desk** on the main floor of the library. CSUDH students can borrow books from the shelf 16 weeks!
